## **An elegant eye-catcher: Tamitio India Red**

Writing pleasure with an individual touch: the Tamitio India Red presents the range's classic minimalist design in a deep, vibrant red – a colour that has always stood for self-confidence, strength and positive energy. Whether you want to bring power and creativity into your home office or give your business look a personal touch, this elegant eye-catcher is the ideal companion in every situation. Thanks to their finely fluted, matt lacquered barrel, the writing instruments fit perfectly in the hand; highly polished front and end pieces provide brilliant accents. The range, which will be available from September 2020, includes a fountain pen with a high-quality, rhodium-plated stainless steel nib, rollerball pen, twist ballpoint pen and propelling pencil.

Fountain pen (M, F, B and EF) EUR 210  
Rollerball pen EUR 180  
Propelling pencil EUR 160
